Farming Simulator 19 isn't just the most ambitious sequel of all time, it's the most detailed and immersive farming game I've ever played. You can now experience full-size farms and a massively extended variety of objects, vehicles, and working machines. If you still need convincing, you can read our Farming Simulator 19 review. Is Farming Simulator 19 worth getting? If you're looking to pick up a farming game, what should you get? The Farming Simulator series has a lot to offer, and Farming Simulator 19 is undoubtedly its best outing yet. Offering more than just a campaign to play though, the new game includes a lot of new features that should make life on the farm a lot more entertaining. Farming Simulator 19: Deluxe Edition.
