The 31-year-old Algeria international made just 10 appearances for the MLS club, scoring three goals. "I didn't feel good at all," Slimani told BBC Radio 5 live. "It was a good experience, the club's treatment was good. They gave me everything. But I was rubbish. "I had problems with my body. I was out for three months. But they helped me get back to a healthy state." Slimani said he did not want to use his injury as an excuse for last season and is now hoping for a return to Leicester. "I am fully recovered," he said. "I think I am in a good condition, I can be a good player." He added: "I am not injured. It was just a matter of time. "I made a lot of sacrifices when I was in the US. But I am back with my family, I am playing good football and I hope to stay with Leicester." Slimani's performances with Sporting Kansas City helped him win the MLS Cup in 2012, 2d92ce491b
