C.B. · December 30, 2013 I was suffering from back pain, neck pain, and shoulder pain from typing at my job for a couple years. I had tried several treatments, including massages, acupuncture, chiropractors, and others, and was not having any luck. My friend introduced me to Crystal Waters and I could not have been happier. My pain was completely gone within a week. What began as a simple massage turned into one of the most relaxing and enjoyable experiences I've had in a long time. Highly recommended!!!
