How to keep the Patches after the expiration of the 7 days period? hi guys, so i'm new to this edius thing. I'm having issues with my vst plugins. I cant seem to get the plugins to load at all. I have already checked the folder path and the name of the plug in as i know it is the right name. I have checked that the plugins are updated correctly in the program and have restarted Edius numerous times to no effect. I would appreciate any help that can be provided. Thanks Oct 20, 2019 What happens if Edius VST Plugins are not used in a given project? . How can I find out what plugins an Izotope/Edius VST product contains? . sean Hi, I'm really having a hard time with installing Izotope Edius VST plug-ins. I'm working on a Mac and they are a Windows program. I'm using the trial version, and I have 'em all up You can use a feature called 'Trackings' to see what plugins are installed. Oct 21, 2019 I went to the Edius forum and none of their suggestions did anything. (Searched for Edius, Ed 3ef4e8ef8d
