I have been made by Scil. Store and Google Play are just Promotional Tools to increase the number of customers. If you like my service - please press the Like button :) Thanks! Well some of them may be making less than minimum wage, but that will be the same case with every other online job. In the restaurants, may be some of the waiters and waitresses don't make minimum wage. They will get more than minimum wage though. So they don't have to do minimum wage while they are making about that much. The tips also will help them. So yes, they are making above minimum wage. You cannot say that about the facebook accounts. They didn't get a 100 dollars. The 100 dollars was given to them. Some of them did make a

---

profit, but some of them didn't. That is how the economy works.  
You are free to believe whatever you want. But I think that is

=Bubble Mania= You can enjoy the bubbles from the water's surface, see the bubbles rise to the water's bottom, and watch the bubbles create the most amazing show. See all of the beautiful colors of the bubbles in this digital aquarium. When you visit the SeeBubbles Virtual Aquarium, you will be able to view the beautiful bubble, with glitter, which appears at the top of the tank. When the bubbles are high in the water, the glitter can be seen in the center of the bubble. The Bubble Mania online virtual aquarium is the first and only virtual aquarium of it's kind. You will be able to view the bubbles from any computer in the world. When you enter the virtual aquarium, you can also select the magnification that you would like to see the bubbles. The magnification can be adjusted easily by clicking on the +/- icon. Once you have chosen the magnification, the magnification number will appear in the top left-hand corner of the bubbles and you will be able to see the bubbles in their magnified state. When you enter the virtual aquarium, you can view the bubbles from any computer. If you think that you should share the bubbles with others, you can also make your own personal public gallery and send your friends a link to it so that they can view your bubbles. For all of the kids that have always wanted to see the bubbles up close, you can now enjoy all of the bubbles with them. Your kids are sure to enjoy the new online aquarium as much as you did when you first saw the bubbles for the first time. The new SeeBubbles Virtual Aquarium makes the bubbles and glitter come alive. In addition to the bubbles, there are

---

different kinds of fish in the virtual aquarium. The different fishes do what fish usually do and their different actions make it so much fun. On the website that you visit, you can customize your very own virtual aquarium of bubbles. By adding your pictures, or writing your name, and email address, you can create a very unique personalized virtual aquarium of your very own. Want to see more bubbles? =Bubble Mania= Bubble Mania was created by a real aquarium fish store owner. The owner wanted to share the beauty of the bubbles with others. He wanted to create an online aquarium for his own enjoyment, as well as, for everyone else to enjoy. The owner also wanted to see if other people would purchase the bubbles and begin selling them. After putting the bubbles online,
