See Bain, 426 So.2d at 596 ("[w]here the evidence gives rise to conflicting inferences, a jury may not be required to eliminate any of them as a matter of law, but only to reasonably and fairly resolve the conflict") (citing cases). Based upon the record in this case, the trial court's charge to the jury that conduct must be intentional and designed to cause injury or be a substantial certainty that injury would result, was sufficient to permit the jury to find intent. This instruction did not, however, permit the jury to hold Pascual-Borja liable as a matter of law in this case. We find no error in the trial court's denial of the JNOV and new trial motion. The judgment of the trial court is affirmed. AFFIRMED. HORNSBY, C.J., and ALMON, KENNEDY, INGRAM and COOK, JJ., concur. NOTES [1] 22 D.C.Code § 4102 (1996). [2] 22 D.C.Code § 4102a (1996). [3] See Frazier v. United States, 387
