I really like that they have included the large pieces. I have used this for many of my students over the years, they enjoy it and love being able to sort the large pieces. I can't wait to use this as the foundation for my newly trained pre-intermediate teachers! The students will learn so much and do much better in the first year of school with this as a foundation!" - Teacher, Lakes Region Education Council, New 54b84eb42d
