My name's Isabella. I'm a short and fairly tall girl who loves to make myself look pretty. I just need a little bit of help from you to get my look spot on. What do you think of when you see a girl with a cute, natural, free flowing haircut? Do you think of sexy beach hair? No. You think of a girl who's

got a lot of layers and confidence to take on the world. Well, that's me! I started out with this hair on the top half of my head and a little braid on the bottom. Then I decided I wanted to add length to the top of my head. I like my hair very straight, so it had to be curled. Then I wanted to add another length to the top of my head and make it thinner. I tried to make it look like a fun braid, so I curled the ends up in the front and left them out to the sides. I thought I looked really cute! Then I had to go and get my bangs cut, so here's a

picture of what my head looks
