Provident Fund Calculator Very good. So far no problem with the response. Daily E-statement 0.0 0 0 Employee Provident Fund Calculator - Calculate the amount of money you will accumulate on retirement via EPF Calculator. The Ministry of Finance ("MoF") has issued a new circular for computation of provision for casual workers in the Central Provident Fund ("CPF") by employing the EPF Platform. The provision for casual workers is . The applicant will be required to provide their PAN and Aadhaar number, along with the Aadhaar number of their employer, and in case the employer has not provided the Aadhaar number, he or she should sign the Form 15. The EPF online system has been improved to allow the calculation of the CPF contribution. The user may now get the contribution for a particular month as the provision to the Provident Fund ("EPF") account. The provision is calculated for the 12-month period. In order to calculate the EPF contribution, the employer should provide the necessary details in the PFC format in his/her online return. Users can also check the Form 20 returns online. . Users will be able to get the EPF contribution for the month of October. Those who have their Form 15 can check the EPF contribution for the month of October using the PFC portal. If the employer has submitted Form 15 for the EPF. . The individual / employer should be the owner of the EPF account. . The employee may find the monthly contribution for a particular month in the EPF online portal by going to the PFC web portal. The user can also check the Form 20 return online by login to the EPF Online portal. For those who have submitted the Form 15 through the e-initiative portal of the EPFO, the individual should use the online EPF portal to check their EPF contribution. The Form 20 has been created based on the new circular on computation of CP
