In the beautiful city of Rennes, Brittany, the ONB is a well-known event brand dedicated to fine arts. In a great environment, the ONB is now opening the doors of its new offices, inviting everyone to experience art through the many events that await you. The great artistic events, such as "Tapsters," the "Contemporary Painting" and the "Modern Art" take place every year in the outskirts of Rennes. Each week, enjoy a different program: music, opera, cinema, literature, dance, theatre and dance, and much more. Founded in 1962, the ONB is a social, cultural, and handicraft company that offers artists and craftsmen professional and creative development, plus the possibility to share its knowledge and know-how with the general public. As a company offering services and guidance to artists and craftspeople, it supports these artistic creators from the workshop to the concert, the private home, museums, galleries, art centers and public places.
