Sales Tax Calculator is a simple software tool whose purpose is to aid individuals in adding or deducting a custom percentage from the amount entered, so that you can do your taxes with ease. The conveniences of a portable app The installation process is no longer a prerequisite, as this utility is portable. This means that the Windows registry and hard drive are not going to be updated without you approval, as installers usually do, and no leftovers will remain on the disk after its removal. Another noteworthy aspect is that you can place the program files to a removable storage unit and therefore, take Sales Tax Calculator everywhere with you and run it on any PC you come in contact with, by simply clicking the EXE. Easy-to-use GUI The interface you are met with presents a minimal, yet not very easy on the eyes design, as it consists only of a menu bar, several buttons and a few boxes. It can also be rendered unobtrusive, by simply placing it in the system tray. Some instructions are integrated, thus ensuring that both power and novice users can get around it without experiencing any kind of problems. Making calculations with ease This software program supports a custom tax percentage rate, as well as multiple currencies, including pound, dollar, euro, franc, yen and bolivar. In addition to that, there are two modes you can switch between. To be more precise, one enables you to calculate the vat percentage rate, while the other lets you subtract or add a tax rate to a custom amount. It is possible to use the built-in buttons to input numbers, as well as the keyboard. Bottom line In conclusion, Sales Tax Calculator is a pretty simple, yet handy piece of software when it comes to calculating taxes. The interface is user-friendly, the response time is good, it does not burden the system's performance and we did not pick up on any errors or bugs in our tests. Nonetheless, it could greatly benefit from an update.Acquired airway closure after major head and neck surgery with the aid of regional anesthesia: a case report. Movable type by Neil Sedaka Purchase this tape on the web at moc.com or iTunes...so sweet, so sweet. Recorded at the Playboy Studio in Chicago on May 15th 1979. This single was the only song recorded during his RCA recording contract with Playboy and was released by the Record Label, Penthouse, on May 24, 1979. It was a Top 3 hit on the Billboard pop chart peaking at #3. This is a song about the current intergalactic war between the barbaric yet powerful Zeros (demons) and the Starlyz (rulers of the Cosmos). Notable lines: "My war's not a small one/ When I get my hands on you/ The world's gonna end." and "I am a peaceful one/ So you can't doubt me." These lyrics are pretty lame but they are from the point of view of the Starlyz (the rulers of the Cosmos), and not the Zeros (barbaric aliens). And, of course, I'm only quoting lyrics that mention Starslyz. I'm still waiting for someone to quote a lyric that mentions Zeros. Ian Dury and the Blockheads - 'Bits Of Britain' (live) Ian Dury - Bit Of Britain - RCA / 24 Apr 1979 This is the live version of the Bit of Britain single. The original title was Live At Leeds.
