
Let's Explore The Farm (Junior Field Trips) [torrent HOT! Full]

Farm conveys all the fun, energy and excitement of a real working farm. Children can visit the big red barn and watch a cow being milked. Here you can see a real horse that nibbles grass, and next to it two small pony horses graze, which you can hug. They can be treated with sugar carrots. In a small shop you can buy a lot of delicious things: milk, fresh bread and cheese. In this house you will meet a little chicken, which, unfortunately, is a little sick. Clean her feathers and treat her to a piece of bun. The farm is home to all the same animals that live in the city.
