week-long vacation, then go pick up our rental car. You see, we're heading for sunny California in a week. But first, let's settle our stomachs. I'm not talking about those mythical stomachs we all used to have. I'm talking about our culinary stomachs. I quickly whipped up these "beet and lentils with spicy onion topping". I didn't have any lentils on hand, so I switched

them out for red kidney beans, but the flavor combination is perfect for this time of the year. What's great about this dish is that it's very quick and easy to prepare. We're going to be too busy enjoying the sunshine and exploring to have time to fuss with a complicated dish in the kitchen. We're 4bc0debe42
