

March 22, 2021 - 2022 Downloads. AutoCAD 2022 VBA 64-bit module; 2021 Downloads. AutoCAD 2021 VBA 64-bit module; 2020 Downloads. AutoCAD 2020 VBA Module 64-bit. VBA 2022 Pro is a vector graphics, VBA extension module developed by Microsoft Excel. It supports vector graphics objects such as graphs and charts in Microsoft Excel software. The VBA module uses the VBA user interface to access these objects as well as basic VBA functions. This module also contains some built-in objects such as visualization and data processing functions.
