Shoviv Instant Messenger is a free messenger that you can use in conjunction with your Windows IM client to access your message history, conversation history, voice and video chat with contacts. Unlike the MSN Messenger, it can be used with Windows 2000, Windows XP, Windows Vista and Windows 7. The program has been tested and reviewed on Microsoft Windows XP 32-bit and Windows Vista 32-bit. User Review ShovivInstant Messenger is a great program for those who want to sync their IM conversations to their PC. It runs under the Windows Vista Shoviv Outlook Recovery is a tool that addresses users who want to access information stored in damaged or corrupted PST files that they cannot open in a standard manner. Allows you to open corrupt and damaged PST files. The setup is a quick and forthright process that does not require any special attention on your part. Upon launch, you come face to face with a clean and intuitive interface that is unlikely to give you any troubles. As you probably hinted, you can get started by importing the damaged file and allowing a couple of seconds for the program to scan its contents. Once scanned, you can browse through the contents of the file to ensure it is the right data and proceed to recovery. Depending on the situation, you can attempt to repair the file or export it to a new PST file that is likely to be less problematic when accessed. It can convert PST to several formats, including HTML It is worth mentioning that the application does not have limits regarding the size of the PST file you can recover, so you can even try it with large data. Moreover, it retains the metadata along with the folder hierarchy and all the attached items that came with the messages. At the same time, you can add multiple damaged or corrupt Outlook files to save some time. The program works with all versions of Outlook and allows you to convert the file to various formats, such as HTML, EML, MSG, MSG Unicode or RTF. Alternatively, you can export the PST to into a Live Exchange Server directly if you are planning to migrate to this client. A straightforward tool for recovering Outlook files In the eventuality that you need to access essential messages, emails, calendars or grab contacts that are stored in a damaged or corrupted PST file, then perhaps you can consider giving Shoviv Outlook Recovery a try. Shoviv Instant Messenger Description: The Best software for Outlook 2007 File Recovery, convert
