What's New in the?

Windows 7 Visual Studio Theme features nine HD wallpaper for desktop. All of them are in PNG format. In addition to that, you can make any of them the active desktop background and access to the settings dialog to customize it according to your preferences. You can take a tour through the wallpaper: 1. The first is the title: it is a close-up of the logo of the software and contains the name of the theme on it. 2. There is the logo of Visual Studio 2010: it has the Visual Studio logo in it. 3. And finally, there is a close-up of the logo of Windows 7. The 62-year-old Italian coach has been linked with a return to the Premier League after leaving Leicester last week as his assistant, Sven-Goran Eriksson, was appointed manager at Crystal Palace. Ranieri guided Leicester into the Premier League and the club's stay at the top of English football was a remarkable success considering their form when he took over in December. However, the Premier League's new 'promoted teams rule' means Leicester will return to the Championship after finishing in the top-flight.
