We've all been there. You know how you've put on your socks, put on your pants, put on your shirt, but then you come to the last step, and you realize you left your belt at home. Now you just have to go out and get it again. If you have a baby, you're stuck. There's no way out and you are really really late for work. You've got to leave now. It's 5:00am and you're putting on your shoes, and just before you leave the room, you remember that you've forgotten your car keys at home. Now you can't go anywhere without your keys, so you've got to get back. You need your keys NOW. You've been stuck all night. It's 5:00am. You should be sleeping. Now you're up, and you're frustrated. You are exhausted. You wish you could be going back to sleep, but you can't. You have to go to work. Your life doesn't allow for sleeping. You're
