Ask HN: Is there room for an open source alternative to BlueVoda? - vrw BlueVoda is a pretty great solution, but it isn't open source. The code is proprietary, so it doesn't count.Any ideas about other open source videos creation/editing tools? ===== Mithrandir Using ffmpeg, one could probably do this pretty easily. I just searched for a video editor called Zorin, but didn't find anything. ~~~ vrw You're right, but I don't want the hassle of finding, compiling
