Select an Image Select a file to open it in Photoshop for the first time. You can go to the Photos library, insert a memory card, or locate an image on your computer by searching for the name in the search field in the Windows Explorer window. You can also navigate to a file using the Drive tab in the left window. Figure 9-3 shows the Drive tab displaying the contents of a folder on my desktop. **Figure 9-3** Navigating to the library with the Drive tab. If you are opening a scanned picture, a TIFF, or a JPEG, you can use the Photo button or Smart Preview button to open the image in Photoshop. If the file is in a format that isn't supported by Photoshop (such as a PDF, a TIFF, or a JPEG), you can use the print button to send it to a printer for a quick preview. (Note that you can't use the print function to preview the TIFF, JPEG, or RAW files.) * * * **TIP** If you insert a memory card into your computer and scan an image to a folder, you can retrieve the image by selecting it in the Photos library and then double-clicking on the file. * * *

Q: Action Bar in all activities I am trying to follow the official android action bar tutorial. I have build the following new activity with the following code. public class MainActivity extends ActionBarActivity { @Override protected void onCreate(Bundle savedInstanceState) { super.onCreate(savedInstanceState); setContentView(R.layout.activity_main); Button button = (Button) findViewById(R.id.button); button.setOnClickListener(new View.OnClickListener() { @Override public void onClick(View v) { // Perform action on click Toast.makeText(MainActivity.this, "Hello", Toast.LENGTH_SHORT).show(); } }); } I have followed all the steps in the official tutorial, added the actionbar activity in the manifest file, added the styles, etc. But the Action Bar does not appear when running the application. If I run the app I get a button but it doesn't have the actionbar as expected. When I press the button it doesn't do anything. What am I doing wrong? A: You are missing the actionbar style in your style in styles.xml @color/colorPrimary @color/colorPrimaryDark @color/colorAccent @style/MyActionBar android:actionBarStyle The style applied to the Action Bar. Also make sure you import the the appropriate style in the manifest file.

one. In such systems, a diagnosis and/or treatment of a car trip will need data from all vehicles and algorithms will have to be designed to select a subset of the data that characterizes a car trip. Those skilled in the art will appreciate that once data are collected they may be used for many types of predictive analysis. Although, in many applications, it is desirable to have a very large amount of data to do an analysis, in other applications such as diagnosis and/or treatment of a car trip, a large data collection system may not be feasible. Thus, methods and systems are needed for selecting a subset of data from a larger data collection such that accurate data are collected and analyzed in cases where a large amount of data is not available or feasible to collect.On Saturday, March 12, 2014 at around 2:00 pm, the defendant left his workplace in Fairview, and drove to a local bar named "The Red Onion". He became involved in a physical altercation with two of the bar's patrons. During the altercation, one of the patrons received a broken nose. The victim was then taken by ambulance to Hospital Virginia. The defendant stated that the two patrons were drunk and, because he thought they had stolen something from him, he attempted to recover his property from them. The defendant did not have a firearm with him at the time of the incident. The defendant was arrested and charged as follows: (1) After having been convicted of a previous felony, twice sentenced to a term of imprisonment, the defendant committed a felony in the (insert) District of Columbia. Violation of Code § 22-502 with a suspended sentence, D.C. Code § 22-405 with a one year term of imprisonment, and a fine of \$1000. On March 12, 2012. (2) In violation of Code § 50-2207.1(a), the defendant has been convicted of an alcohol related or drug related traffic offense seven (7) times within the last seven (7) years. The defendant was advised of his appeal rights. The defendant has filed, or been furnished an, appeal brief pursuant to D.C. Code § 23-110. The defendant requested counsel. On April 22, 2014, an examination pursuant to D.C. Code § 23-110 was conducted.
