Grand Theft Auto V Grand Theft Auto V Grand  
Theft Auto V by Rockstar Games was  
developed by Rockstar North and published by  
Take-Two. Grand Theft Auto V is a open world  
action adventure game. Grand Theft Auto V is  
the fifth title in the Grand Theft Auto series. It  
was announced on September 18, 2013, on  
the games official website, and was released  
worldwide on September 17, 2013. Grand  
Theft Auto V was widely considered one of the  
best-selling video games of 2013, with sales  
of over 17.4 million, at retail and via digital  
distribution. Grand Theft Auto V is the first  
game in the series to be released on the then-  
new next-generation video game consoles,

---

the Xbox One and the PlayStation 4. The game is also the first full-length game in the series not to be published by Take-Two Interactive. Story Grand Theft Auto V's story takes place in a fictional city in the western United States named Los Santos. A few days before the game's launch, the citizens of Los Santos are attacked and forced to leave their homes after a mysterious air outbreak destroys their city and surrounding buildings. Grand Theft Auto V takes place roughly three months after the events of Grand Theft Auto IV. A group known as the "Marauders" is responsible for these attacks. The story of Grand Theft Auto V is told as a prequel to Grand Theft Auto IV, which introduced the game's main protagonist, Michael, and his girlfriend, Delilah. The game's storyline also features a sympathetic secondary character,

---

Lamar, who helps the player in some missions and is able to travel between time periods throughout the game's storyline. Michael is the main protagonist. Lamar is a secondary character who aids the main protagonist in most missions. Lamar is only able to travel between time periods on Grand Theft Auto V's final missions. Gameplay Grand Theft Auto V was released on PlayStation 3 and Xbox 360 on September 17, 2013, and was released for the PlayStation 4 and Xbox One on October 24, 2013. Grand Theft Auto V is also the first game to be released
