We hope you will enjoy using them as much as we enjoyed creating them. Enjoy! :) In this tutorial I will show you how to make the “Summer Birthday Invitation” style. In this tutorial I will use: - Photoshop CS3 - Elements 10 (for the logo) - Illustrator CS3 (for the

poster and postcard) - iMac (for printing) - Silhouette Studio (for the logo and poster) There are 6 steps in this tutorial: 1. I will use a silhouette design as a base 2. I will work on the logo: adding text, background and removing parts 3. I will make a poster: adding text and removing parts 4. I will make a postcard: adding text and adjusting the layout 5. I will print the postcard and poster 6. I will print the postcard on glossy paper I know you guys are waiting for that so here we go.
