Boy in the Bubble This track is taken from the album The Clash (also known as Combat Rock). The track came on the first single by the group. The track is a classic hard rock song that mixes fast paced drumming, riffs and a funky groove. Click Here for more information on this popular. Read the rest of "The Clash" by The Clash - on this page. Read the rest of this entry. "The Clash" is a rock song written and performed by the English punk rock band The Clash. The song was released as the lead single from their second album Sandinista! in 1979. It is the second track on side 2 of the EP Sandinista!. Prior to the start of the song, the music-box stylings heard in the background of the group's earlier singles are heard. The song includes references to "LF Records" and the "Royal Court". The video for the song was shot in a nightclub. In the video, the band performs with a backup group, including a guitarist and drummer who appear to be performing the song with the band. When the first punk rock band took the stage, a generation of music. "The Clash" The Clash LP How to Use Subsonic Radio to Play Music Playlists: Listen to Live or. During the making of the album, The Clash regularly played the song "LF Records" to get. "Rock
