sites?TRIPOWELL COUNTY,  
Ga. - An employee at the Tri-  
County EMC was treated by a  
family member for a minor cut  
he received on his finger while  
performing his job duties.

According to Tri-County EMS,  
the employee had his finger in a  
feeder for chickens when he got  
caught in the cage. Tri-County  
EMS says the employee was not  
hurt. The deputy with the Tri-  
County Sheriff's Office also  
responded to the incident. The

Master of Music. Don't give up your unique DJ talents! You are much more talented than Suzi or the New Kids on the Block! You need to perform on stage, and you need to perform all the time! Is this your dream occupation? Well, if not, you need to perform professionally. If you have been denied a spot in some college music department, you will most likely be offered an opportunity to perform in musical theater, or

(sometimes) film. This is because companies like Disney, and Nickelodeon are looking for the same type of talent that we all know and love! Be REAListic when you audition for something. The casting director for Disney is more interested in whether or not you can actually act, then if you can actually sing. They are looking for children with somewhat grown up personalities. They are looking for out of the box
