World of Tanks: A preordenação da maioria daqueles jogos disponíveis no Steam através do aplicativo ainda se encontra na última fase de desenvolvimento. Isto levou a que a versão completa da produção fosse lançada a partir de 9 de Dezembro de 2020. Muitas das experiências e jogos foram testados pela equipe de desenvolvimento com a extensão do Steam e vem desenvolvendo o cenário para que a experiência seja encantadora para os utilizadores. Como podemos ver, esta é uma primeira etapa para a criação do Steam Link, algo que estará disponível para todos os utilizadores da Amazônia. Para usar o Steam Link na Amazônia, é preciso ter o serviço de Netflix ligado com o aplicativo de terceiros no país. Da mesma forma que outras plataformas, o Steam Link pode ser baixado como um app do Google Play e funciona de acordo com o que é usado no Android. A abertura deste passo, permitirá que todos os utilizadores brasileiros possam visualizar itens no entanto, que alguns objetos podem ser apresentados pela primeira vez, devido a aplicativos do Brasil. O Brasil e os Estados Unidos são os únicos países que permitem a possibilidade de utilização do Steam Link. Na verdade, existem questões de segurança que não permitem a existência da plataforma nestes países. Mas este é um passo na direção certa para que todos os jogos e jogadores ainda que precisem de compatibilidade para estes dispositivos sejam mais
