System Requirements For Snow Dance 3D Screensaver:

Multiplayer Age of Wonders: The Mask of the World Serpent is a fantasy-based, four player RTS. It was first released in late 1999 and a lot of people thought it was trash for some reason. However, it got a new lease of life and is now considered one of the best four player RTS games ever. It can be hard to find a copy of the game as the last publisher was the one who printed the game. There are many copies of the game floating around but it's actually fairly easy to get a copy for a reasonable
