What's new:

- **NEW** gameplay engine powering full-fledge football simulation. An entirely new gameplay engine powering FIFA like never before, powered by a brand-new physics engine that allows you to change the way things are played. With this new gameplay engine, teams react against different challenges in the environments, strikers can better attack goalkeepers, and more.
- FIFA UT 22 features every club and badge present in the real-world version. It also features some downloadable content from FIFA 19 (The Community Patch).
- **CLICK & MOVE** : With a new ball control philosophy and tracking, players can now sprint, dribble, cut towards goal, and more without excessive vertical height.
- **MAKE THE MOST OF EVERY FALL WITH PRECISE SKINNING AND CONCEALMENT.** Careful positioning and quick reflexes are now required to avoid taking contact.
- FIFA 22 adds to the energy and intensity of the modern game with new online interaction.
